### (HEAD COACH REPORT:

A list of head referees and their phone numbers being handed out to each club. Managers should check to make sure the information is correct.

There were 22 in attendance at the Woodland clinic. GH started a clinic last night and there about 23 attendees. This is a good start for the first two clinics this year. This is a great opportunity to get people ready for the season. Check the website at [www.sysl.com](http://www.sysl.com) for a list of clinic dates and locations. Clinics run from 6:45 to 9:30 each time. The next one will be held in Fruitridge and one will be held in Dixon.

There were several incidents where there were coach sendoffs last year. A letter has been prepared and handed out for your review and discussion. This may be put in the coaches' packet at beginning of the season.

Coaches should lower their expectations of the referees for any game. The more experienced referees are used for the higher level games.

Coaches need to learn the protocol of the game and should not have any sendoffs.

**(HEAD REFEREE REPORT):**

There 18 participants at the recent E clinic, and 28 for the F clinic. The last E clinic in Land Park is next week and this class is full.

Highly recommend the F clinic for ALL coaches. This will help teach the coaches the basics of coaching. The Greenhaven clinic will be held 7/12 and 13, and Fruitridge will host a clinic 7/19 and 20.

**TREASURER'S REPORT:**

There is a handout for the last two months on the table.

**REGISTRAR'S REPORT:**

There are only 1500-2000 registered players.

There will be coaches passes issued this year. Start collecting the pictures.

We have not been provided with a sufficient number of coaches' forms to cover all the head coaches of each team, including Metro.

**SAC UNITED REPRESENTATIVE'S REPORT:**

The Sac United tournament for the summer has been cancelled. John could not be here tonight and has submitted a written report to be read by Kathy Ayala.

**SECRETARY'S REPORT:**

This is a reminder that a Club missing three or more meetings in the year is considered in bad standings. There are a few clubs that have to date missed two meetings.

There are over 75 mailed minutes each month and yet we only average about 30 attendees. Request Managers check with their board member and if there are any that are receiving the minutes and do not plan to attend, please let the Secretary know so that the mailing list can be shortened. Much time and paperwork can be eliminated.

Request to have the date of the next meeting listed in the minutes. West Sac hosting the July meeting and it will be at Johnnie's Sidewalk's Pizza.

**COMMITTEE REPORT:**

916-397-3219 is Steve Wong's number and this is posted on the website. He is submitting school permits now. Parks and City permits have been issued. If there are any issues about the fields, please let Steve know so this can be immediately resolved. He is looking to have a rider indicating the recreational teams have preference on field use over any other group.

There is a request that the schools have secured goal posts. This is a reminder that Clubs should be aware of the stability of the goal posts, games should not be started if there is a problem.

Tom Bistline for Metro reports that there are 37 submitted team registrations to the District and one has since dropped.

The Woodland White Tigers has been disbanded. Some of the players have moved up and others remain down. The coaches have been advised by the Manager that only 5 players are allowed to play on any one team.

Ques as to what the cutoff is to add metro player. There is no cutoff.

Ques for Tom: uniform issue as to whether a metro team can have a consistent uniform different from the club but in the club colors. This has been the norm for Clubs.

The East Sacramento Club has the distinction of designing the League pin this year.

**PRESIDENT'S REPORT:**

Wade Lokka from another league is looking for a league to take him and his team as he was released from a Club. He submitted information to the Metro Coordinator with registration, that the Valley Hi Club has accepted this team. This is not correct.

He was dismissed as a coach from the other league as there is a lack of control on the coach's part and major fighting among the players.

There is a rumor that some recreational teams, mainly U19, are having tryouts. That is not allowed. When a team has tryouts, they are then considered a Metro team.

**OLD BUSINESS:**

None

**NEW BUSINESS:**

**GOOD OF GAME:**

Brazil, Spain and Germany have advanced in the World Cup. The United States team needs to tie to advance, as does Korea and Portugal, and Italy needs to win.

Brian Hall one of CYSA referees will officiate the 11:25 game of England vs Nigeria. The first American referee to be invited and officiate at a World Cup game.

**ADJOURNMENT:**

Tom Bistline motion to adjourn, Ross Meier sec. Meeting adjourned at 8:35 p.m.

Respectfully submitted
