Proposed B-Law changes:

Discussion of change to section 304.11: Ross Meier author of the change proposal. How can we verify certification of referees when not all refs will carry their certificates with them? In some cases, money has been sent in and no certificates have been received.

Comments:

- Find no place in our by-laws for this proposal, playing rules is probably the place for this requirement.
- This is a lot of pressure to put on some of our smaller clubs.
- This is a worthy goal but doesn't belong in the by-laws. An individual who is not certified may not necessarily know how to control

By-law changes can only be approved by a 2/3 vote.
