SECRETARY'S REPORT:

Need to have volunteers to host next months meeting. Greenhaven has volunteered.

Valley Hi Club has volunteered to host a meeting in April. River Park will host the May meeting.

PRESIDENT'S REPORT:

The equipment show and dinner dance held last weekend in Santa Clara had very light attendance compared to the past. This is probably due to split of the meetings for voting. Cysanorth.org have proposals listed which will be voted on at next month's CYSA AGM meeting to be held in either Stockton or Modesto.

SYSL AGM will be held at next months meeting. March 9, 2004. The First Vice, Secretary and Treasurer positions are up for election. Please let Kathy know if anyone is interested in either of these positions.

Allow one vote per team. Registrar will have list of all the teams at time of sign in. Clubs must have their affiliation papers in before then. *You may not vote if affiliation papers are not submitted and complete. Be sure to turn in before March 1st!*

COMMITTEE REPORT:

Standings—Needed tenth game scores. Only Clarksburg, Fruitridge, LandPark, Parkway, Southgate, South Florin, Valley Hi, and Woodland called in scores for the last game of the season.

Last month Club managers for the Clubs that did not call in scores were asked to check their scores. There are no changes in standings due to lack of responses from these Clubs.

There was a discussion on how to handle the teams that did not submit scores on last game of the season. There are over 35 teams affected and it is difficult to decide how to handle these for next season's standings.

Rudy Rubalcaba is Metro Rep but will probably need to step down. Sara Najarro is the backup. She will let us know by next month as there will be a mandatory Metro meeting scheduled for the first Wednesday of the month.

There will be seeding this season in Metro. Metro seed week will be July 31, and Aug 1, each game will have 20 min halves. Teams will play equally so if only one shows up with 6 players, the opposing team will only play with 6. Metro season will start Sept 11th.

There will be only one open weekend, which is the tournament weekend, Oct 30th and 31st.

OLD BUSINESS:

Proposal from Dixon to changing the season from 10 weeks to 8 weeks. Presentation by Lamberto Montano.

Condense 10 game season into 8 weeks in length. After six game weeks, proposes a tournament after the sixth game on two successive Saturdays. These tournaments would be two games on each Saturday. Lengthy discussion followed with several Pros and Cons.

Mot made by Liz Lehrmann to table, Ross Meier sec. Motion passes to discuss at a later date. This would not likely be done this season.

Jimmy Gomez from Valley Hi advises that the uniform company cannot produce the grey and maroon colors that had been approved for his Club uniform. He proposed a new color of white shirts with some royal blue striping and royal blue shorts. This is too similar to River Parks colors so will look into having maroon shirts, black stripes and black shorts. He will check with the company and see what can be done. Each Club should probably bring in sample of all uniforms so we can visual each one. This will be done at a later date as next month's meeting is the AGM.

NEW BUSINESS:

None.

GOOD OF GAME:

Jimmy Gomez from Valley Hi wanted to thank Ross and the Greenhaven Club for assisting with his Clubs web design. They can be reached at www.valleyhisoccer.com.

Ross asks about buying soccer balls in bulk. Clubs could probably have different colors and maybe even the Club name on the balls. Leather balls will cost about \$8 to \$10 dollars depending on the size of the order. Please contact him if you are interested

Tami of SU reports that the U13G team has advanced to quarter finals in State Cup. The team consists of all SYSL players. They have not lost to any of their opponents. The team is going to Australia. Damien Harley is presently the coach but will be turning over to River Blough.

Don Spicklemeier wanted to comment about the SU U15, U16 and U19 boys' teams, the coaches and parents are outstanding in their behavior on the field. This is much appreciated by the referees.

John Gerald of Woodland mentions that a referee commented to him that the coaches' clinics do not go over the rules of the game. Such as penalty kick, indirect kick, etc. Suggesting this is brought to the attention of the instructors.

Many of the Clubs are reporting favorable results from the Positive coaching alliance. If anyone is interested, please talk to Ross Meier.
