This discussion is to be tabled until next months meeting. **All Clubs are to bring a sample of their uniforms for discussion at the April meeting.**

A reminder to the Clubs that the Referee of the game has the final say as to whether the uniforms worn conflict and need to be changed. The referee has to be able to distinguish between players on the field. The home team would be responsible for switching uniforms if the Referee request a change due to color similarities. The Referee's request must be a reasonable one as had previously been discussed by the Board of Managers.
